The image shows a cylindrical container, likely for a toy or a small product, with a blue and white design. The top part of the container has a white background with a pattern of small blue dots. Below this, there is a large illustration of a water fountain with multiple jets of water spraying upwards. The water is depicted in various shades of blue and white, giving it a dynamic, flowing appearance. The container is set against a light brown wooden background.

The SKS logo is located in the top left corner of the box. It consists of the letters 'SKS' in a bold, white, sans-serif font, set against a red rectangular background.

SKS

The box art features a soldier in a white t-shirt, black tactical vest, and helmet, aiming an SKS rifle. The background is a lush green field with trees. To the right, a large, vibrant explosion in shades of red, orange, and yellow dominates the scene. The title 'AGNI BOMB' is printed in large, bold, red letters with a white outline and a drop shadow effect, positioned over the explosion.
