

EVERYDAY CURRENT AFFAIRS – FEBRUARY 11, 2025

DEFENCE

- **Indian Army and IAF Execute 'Winged Raider' in Eastern Theater**
- ✓ The Indian Army and the Indian Air Force (IAF) have successfully conducted the joint military exercise 'Winged Raider' in the Eastern Theater.

- ✓ This strategic drill focused on special airborne operations to enhance coordination between the two forces.
- ✓ The exercise, held in a key operational zone, is part of efforts to improve rapid deployment capabilities and inter-service synergy.

RANKING

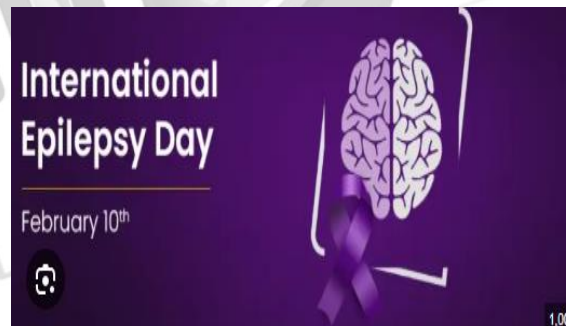

- **India Ranks 3rd in LEED Green Building Certifications**
- ✓ India retained its third spot in the USGBC's 2024 LEED certification rankings, with 370 projects covering 8.50 million GSM.

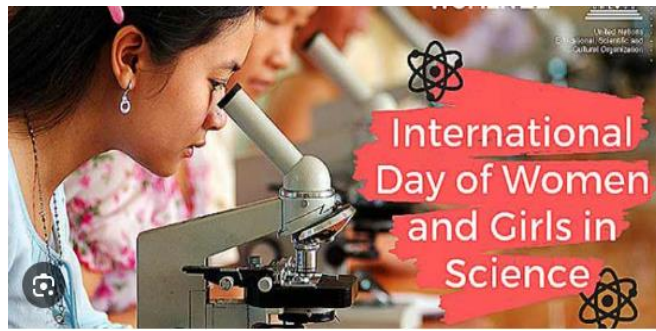

- ✓ China led the rankings with 25 million GSM certified, followed by Canada with 10 million GSM.
- ✓ LEED certifications in India are managed by GBCI, driving the adoption of sustainable and resilient buildings.

IMPORTANT DAYS

- **International Epilepsy Day – February 10**
- ✓ International Epilepsy Day (IED) is a global healthcare event observed on the 2nd Monday of February every year, since its inception in 2015.

- ✓ The event aims to bring together patients suffering from epilepsy and create a sense of community to discuss the condition, its epidemiological profile, diagnosis, and treatment.
 - ✓ This year, International Epilepsy Day 2025 celebrated on 10th February, a Monday, with the theme “MyEpilepsyJourney”.
- **International Day of Women and Girls in Science – February 11**
 - ✓ The International Day of Women and Girls in Science (IDWGS) 2025 marks a significant milestone in the ongoing efforts to promote gender equality.

- ✓ Celebrated annually on February 11, this day serves as a global platform to recognize the contributions of women and girls in science and to advocate for their full and equal access to opportunities in these fields.
- ✓ The theme for 2025 is: “Unpacking STEM Careers: Her Voice in Science”.
